Hi again.

I am unable to schedule a review of your file until the harassment issue has been concluded. Once this is cleared up, I will work with you to set up an agreed upon time.

I need to ensure that the confidential letter from Glenn to Bill was included in the original package. This is not normally released to anyone - you would however, have been a union representative during the follow up conversation or have received any copies of letters that went to [REDACTED] from BG as a result of concluding the investigation.

Thanks Wendy.

Hello Cynthia,

[REDACTED]
I forgot about my appointment to review my personnel file. Please give me a date and time next week that works for you. I'm also waiting for a response on receiving a copy of Glenn Dobie's Investigation report to Bill re: [REDACTED]

Thank you,
Wendy
